

HOST A BOOK DRIVE

Book drives are a fun and easy way you can help put books in the hands of children who don't have home libraries of their own. Most of the 40,000+ books Read and Feed distributes each year come from these drives and good-hearted people just like you.

What books are needed?

Read and Feed is committed to providing the highest quality of age-appropriate books that appeal to ALL children. We prefer:

- New and gently used books intended for children in grades K-5.
- Books honoring diverse backgrounds and experiences, including stories by and about people of color.
- Books written in English or bilingual (Spanish/English)

We do not accept:

Torn or otherwise damaged books; board books; textbooks, dictionaries, or thesauruses; books overtly religious in nature.
